The background features a grid of small teal plus signs. Overlaid on this grid are several teal lines: a vertical line on the left, a horizontal line at the bottom, and several diagonal lines forming a series of triangles and rectangles. A light teal shaded area is visible in the upper right quadrant.

NASDAQ OMX Global Indexes is dedicated to designing powerful, relevant index and benchmark families that are in sync with the continually changing market environment. Our unparalleled process, added value and competitive pricing set us apart from other indexers.

Whether you are an institution, fund manager or private investor, NASDAQ OMX indexes are benchmarks that can help both influence and track your investment strategies.
