

Accessing Daily Pro Forma via GIW Website:

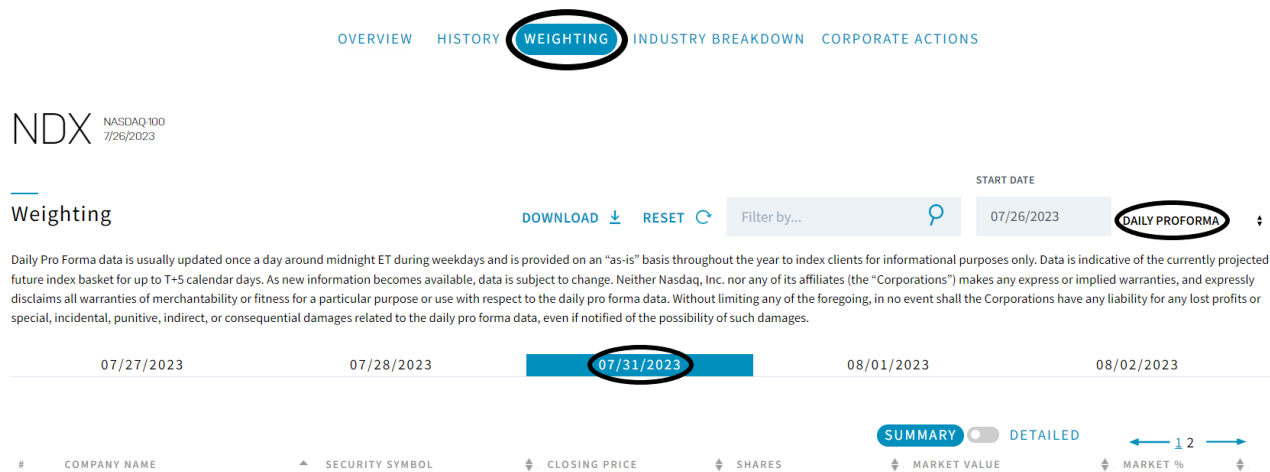

1. Please clear browser history by hitting [Ctrl] + [Shift] + [Delete] and clicking on 'Clear browsing data'
2. Use this link: <https://indexes.nasdaq.com>
3. Log in with your GIW credentials:

- For any username or password issues, email TradingServices@nasdaq.com
4. Navigate to a select index page (e.g., NDX, NBI) by using the Search tool in the top right corner

5. Once on selected index's "Overview" page click on the "Weighting" tab
6. Click into "Start of Day" on the right side and select "Daily Pro Forma" from the dropdown
7. Switch between days by selecting the desired date

This data is only available for licensed indexes. Nasdaq provides firm-wide access at no additional cost, please reach out to IndexServices@nasdaq.com if additional credentials are needed.

For feedback, questions, or help accessing our new Daily Pro Forma feature, please contact Nasdaq Global Index Services via email at IndexServices@nasdaq.com.
