Notice to Nasdaq Yewno Index Stakeholders

On September 30, 2022, Yewno Inc. made a General Assignment for the Benefit of Creditors.

Nasdaq has worked with the Assignee and former Yewno employees to obtain the requisite information needed for the reconstitution of all impacted Indexes. The reconstitutions were performed and made effective as scheduled, in accordance with the respective index methodologies. Please see the table below for the complete list of indexes and effective dates.

We continue to explore all options to maintain the integrity of the impacted Indexes on an ongoing basis. We will continue to provide updates on the status of the Indexes post reconstitution and will work with all of our stakeholders in determining a suitable path forward.
